.....

Agenda

**Sunday, October 22, 2017:** Conference set-up and Executive Board meeting.

**Monday, October 23, 2017, 8 AM to 12:00 Noon:** Conference Set-up and Conference registration.

**1:00 pm to 4:00 pm:**

**Course I:** Retail Motor Fuel Dispenser Training: Instructor: Tina Butcher, National Certified Instructor

This course will teach students how to properly inspect and test Retail Motor-Fuel Dispensers (RMFDs); that is, perform an official examination by properly applying all applicable NIST Handbook 44 requirements. The sessions will include formal lecture, class discussion, group exercises, audio-visual presentations, and some hands-on practice.

***\*Sealers that have never been NIST certified will be attending this course.***

**Course II:** Retail Motor Fuel Dispenser Training: Instructor: Doug Rudy, PA Certified Instructor

Monday PM: Review RMFD code & HB 44

Tuesday AM: Discuss automotive fuel testing & disclosure program: including: definition of octane, octane sampling & test results, ethanol, phase separation, & testing for water in storage tanks. (Possible guest speaker from DEP underground storage tank division)

Tuesday PM: Certificates of conformance, audit trails, & blend ratios.

Wednesday AM: Credit card skimming devices, what are they & what to look for? (possible guest speaker on skimmers)

Wednesday PM: in field demonstrating & hands on for inspectors accessing audit trails & searching for skimmers.

Thursday AM: review & test on RMFD code.

***\*Only Sealers that are currently NIST certified will attend this intense review course.***

**Monday evening, 6 pm to 9 pm:** President's reception. Come and enjoy PAWM's hospitality and refreshments.

**Tuesday, October 24, 2017 8:30 am to 12:00:** Retail Motor Fuel Dispenser Training  
This seminar will teach students how to properly inspect and test Retail Motor-Fuel Dispensers (RMFDs); that is, perform an official examination by properly applying all applicable NIST Handbook 44 requirements. The sessions will include formal lecture, class discussion, group exercises, audio-visual presentations, and some hands-on practice.

**Tuesday, October 24, 2017, 1 pm to 4 pm:** This seminar will teach students how to properly inspect and test Retail Motor-Fuel Dispensers (RMFDs); that is, perform an official examination by properly applying all applicable NIST Handbook 44 requirements.
